

COULD YOU DEVELOP THE NEXT GENERATION OF HEADTEACHERS?

Future Leaders* is an intensive 3 year leadership development programme founded on the belief that every child can succeed. Participants work as senior leaders in challenging urban secondary schools, and aim to reach Headship within 4 years.

We are looking to recruit a pool of potential 'Leadership Development Advisers' (LDAs) to support, challenge, assess and develop our participants. LDAs should have recent Headship experience in a challenging urban school and be committed to closing the achievement gap in UK schools.

Potential LDAs are required in London, the North West, the West Midlands, Yorkshire and the Humber, Bristol and the South Coast. Geographical flexibility within a particular region is essential.

Please visit www.future-leaders.org.uk for more information. For an information pack, including salary and application details, please email: participant.development@future-leaders.org.uk

Application Deadline: 9am, 22nd February 2010

Interviews: w/c 1st March 2010

FUTURE LEADERS

*Future Leaders is one of two routes of the National College's Accelerate to Headship programme.
